

Dear Families,

Summer provides a wonderful opportunity for students and families to enjoy great books together! The goal of the AEA summer reading program is to foster a love of reading. Reading over the summer can also help students to maintain or even improve their reading skills.

In order to meet the needs of each students' reading skills and interests, we encourage you to help your student select books based on the following Lexile level \_\_\_\_\_. This tool can help you to search by level or find a given book's level:

<https://hub.lexile.com/find-a-book/search>

All students are asked to select and read books of their choosing and complete the Reading Log to track their summer reading. Students in grades K-5 are asked to complete their favorite book poster, while 6th - 12th grade will pick 2 projects from their list, based on one of the books they read over the summer. We will then start out the year by sharing our posters/ projects in class to discuss our favorite choices.

Poster, projects and reading journals are due September 9th. We look forward to celebrating our reading growth together.

Best wishes for an enjoyable summer!
