2024 -2025

Hello and welcome to AEA!

It is my pleasure to welcome you to AEA on behalf of the faculty, staff, and the Board of Education. AEA is a dynamic, educational environment designed specifically to meet the needs of our students and families. We are happy you are joining us!

We are a tuition-free public-school option for students and families living in any community in the state of Ohio. We believe that full-day Kindergarten is necessary to serve the developmental needs of young learners. We are happy to support that need by offering full day, tuition-free Kindergarten at our Strongsville campus. All AEA teachers are licensed and qualified under ESSA through the Ohio Department of Education. We only hire exceptional faculty and staff.

Additionally, we serve the needs of special education students at all levels, by providing services including psychological assessments, speech and language therapies, physical therapy, occupational therapy, music therapy, and learning interventions. We also offer a comprehensive program for students with Autism who need specific learning and behavioral support. The 2024-2025 school year marks year 12 for Albert Einstein Academy of Ohio. We have grown from our initial campus in Westlake, with 72 students in 2013, to a current projected enrollment of 400 students in 2024. We have 2 campuses which are located in Lakewood (grades 6-12), and Strongsville (grades K-12).

It is a great time to be a student at AEA and we look forward to your family joining us!

Sincerely,

Kristen Thomas

AEA Teaching Philosophy

We are teachers by training, but more importantly, we are teachers by nature. We are committed to interdisciplinary education and believe a global perspective is necessary for our students to compete in the 21st century global economy. We read and incorporate current research into our teaching and believe in "best Practices." We think, act, and teach "outside of the box." We will facilitate your child's learning to be deeper than you or they believed possible. Our students will not only be learning but they will also be creating knowledge. Learning will feel different, better, more satisfying, and complete. Teaching and learning will be collaborative, conversational, and meaningful. Albert Einstein Academy will function as a comprehensive learning community with every child and family receiving what they need to experience academic and personal growth.

7-12th Grade Permission to Leave Campus for Lunch

All 6th graders are required to remain on campus

A unique opportunity given to AEA Lakewood 7th-12th grade students, is the freedom to leave campus for lunch. Given this opportunity, students are visible in the community.

Students are expected to maintain courteous behavior at all times. Students with permission to leave campus for lunch must sign out when leaving campus and sign in when returning. If anything occurs at lunch that would make the student late or unable to return to campus, the student must contact the school. Regardless of the reasons, late return to campus or failure to report a location change may result in loss of privileges. Additionally, disrespectful behavior at any establishment will constitute a primary offense and may result in disciplinary action and the inability to leave campus for lunch. Please review the off-campus consequence matrix with your student.

Throughout the day, students will be allowed to retrieve their phones during lunch or at the discretion of any teacher for academic needs.

9th-12th Grade Policy:

2024-2025 School Year

Hello AEA Families!

As we welcome you to the district, I wanted to inform you of an important piece of information. We will use the EMAIL and PHONE NUMBER you provided on the enrollment form to contact you from the district office to let you know about days off (planned and calamity), safety drills, live safety events and other items as they come up throughout the year. Please make sure that you have provided the best email and phone number so that we can ensure we can contact you. Should these items change, please notify the secretary or principal at your students' school building.

SAFETY INFORMATION:

We participate in safety drills (Fired, Tornado, Active Shooter, Lockdown, etc...) throughout the school year as mandated by the state. Students are taught what behavior expectations are and what the process is to work through these types of scenarios.

Should there ever be a live event rather than a drill, you will be notified via Email and Text Message as information can be distributed throughout the event to provide information necessary in real time. You will also receive an Email and Text identifying that the event has ended. For quick events, please be aware that a note may not be out to the families until the event has ended.

I would like to welcome you all to our schools and should you have any questions, please contact me via email.

Sincerely,

Michelle Petrillo
