

RESTRAINT AND SECLUSION-USE OF POSITIVE BEHAVIOR SUPPORTS

Every effort should be made to prevent the need for the use of restraint and for the use of seclusion. The use of a non-aversive effective behavioral system such as Positive Behavioral Intervention and Supports (PBIS) shall be used to create a learning environment that promotes the use of evidence- based behavioral interventions, thus enhancing academic and social behavioral outcomes for all students. Restraint or seclusion shall not occur, except when there is an immediate risk of physical harm to the student or others, and shall occur only in a manner that protects the safety of all children and adults at school. Every use of restraint or seclusion shall be documented and reported in accordance with the requirements set.
