

AEA Summer Math Camp

Register online at www.aeaoio.org

Math Camp \$25 / \$35 for non AEA families

*Location: Strongsville Campus

20566 Albion Road, Strongsville, 44149

Focus on the facts math camp for rising 3rd - 5th graders!

2 weeks - July 31st - Aug. 10th! (4 days each week - Mon. - Thurs. 8:00 - 12:00 pm)

Math-based activities including games, activities, songs, and dance - with hands-on materials to expand math skills. Students will develop the link between math facts and everyday math, while gaining confidence and enhancing skills. Math-based activities focusing on students' needs in addition, subtraction, multiplication, division, and fraction skills.

*Due to the re-location and construction of the new N. Olmsted campus, all summer camp classes will be held at the Strongsville campus.
