Der AEA Families-

First and foremost, we hope that everyone, during this difficult time, is remaining safe and healthy. As your Board of Education, we want to thank our parents and students for their patience, flexibility, and willingness to adapt to the complete and sudden change from what we all know as normal daily life. We know this is an extremely difficult time, and we want to assure you that, as a school district, we are doing everything possible to provide meaningful education for our students. The AEA Board of Education has decided to meet virtually on a weekly basis to continue to contribute to the conversation about the education of our children.

All indications suggest that the transition from classroom learning to distance learning has occurred with minimal issues. This was made possible by an outstanding group of administrators, teachers, and support personnel.

Every employee deserves a huge thank-you for their efforts, but a few deserve special recognition. Our superintendent, Dr. Bruce Thomas, and every member of the administrative team for their hard work and attention to every detail.

Last, but certainly not least, we would like to thank our teachers. Their ongoing care, professionalism, and continued dedication to our students is greatly appreciated.

Best wishes to you all,

Sincerely,

### **Albert Einstein Academy Board of Education**
