Dear AEA Families-

It is hard to believe that we are nearing the end of the 2019-2020 school year. We are enormously proud of our students who have worked hard during this time of distance learning. While this presented some challenges for our students, families, and staff everyone has done an incredible job.

Thank you to our administrators in each building. They have spent many hours planning, soliciting feedback, and working through the details of this unique situation. Their plans have always centered around the best interest of our students while understanding the importance of prioritizing student safety.

The end of the year building access schedule is below and is divided into The Senior Class of 2020, and all other students.

Please be in touch with your schools building principal should you have any questions. We thank you for your continued support and look forward to a time when we can safely be back together.
