

## School Safety

We are all committed to keeping our children safe. We integrate safety education into our curriculum.

- The Cuyahoga County Prosecutor's Office presents information to parents and students on internet safety each year.
- The Cleveland Rape Crisis Center presents information to our parents and students on healthy relationships and general safety of our children each year.
- Safety drills in collaboration with our local law enforcement on a monthly basis to ensure safe campuses.

In the event you need to report your child missing, immediately call your local police department.

North Olmsted Police Department 440-777-3535

Strongsville Police Department 440-580-3230

Lakewood Police Department 216-521-6773
