Message From The Principal

Dear AEA Families & Friends:

Albert Einstein Academy-Strongsville Campus is thrilled to have you as a member of our school community! It is now time for all of us to continue to create a true school of quality. Please know that the AEA teachers and support staff will pursue a school-wide focus that implements lessons/programs/opportunities that fuel organizational performance, increases student achievement, grows exceptional relationships and gives voice to the acceptance of others within a safe and civil learning environment.

As we begin the second season together, let us remember that success in any arena is the direct result of an intentional, committed and results oriented team of stakeholders. Each new school year provides the adults of AEA opportunities to make a difference in the lives of the children we share. Consistent academic support, routine communication between home and school, frequent monitoring of the learning process, and the encouragement and expectation to do your best will no doubt send the message that learning is vitally important.

Please take a moment to join me in welcoming our new teachers/staff!

Mr. Taylor Beck: Grade 5

Ms. Shelby Friedel: Counselor/PBIS Co-Facilitator

Ms. Elisabeth Lewis: Grade 4

Ms. Viktoria Paulic: Grade K

Ms. Courtney Preston: Interventionist (K-4)

Ms. Nicole Rayocovich: Reading Specialist

Mrs. Laura Roggy: Grade K

Mrs. Anne Sedlock: Grade 10/MS & HS Science

Mrs. Melissa Smith: Grade 6/MS & HS English Language Arts

Ms. Rodney Wayne: Grades 11 & 12/HS Social Studies

Mr. Andrew Wolens: Grade 7/MS Social Studies

In closing, our students are creative, fragile, intelligent, unique, inquisitive and they feature big personalities. We all need to "Stand for our Students" on a daily basis. We need to connect with them in special ways, we need to show them that we are willing to listen, we need to offer unconditional support and find ways to validate them and celebrate them for who they are!

Let's have a great school year!
