Parents who are interested in learning more about the College Credit Plus (CCP) Program must attend one of the **MANDATORY** meetings.

CCP is for any incoming 7 - 12th grade students interested in attending in the fall.

Parents may attend a meeting at any AEA campus regardless of where your child is enrolled. If a student is currently enrolled in the CCP program, you do **NOT** have to attend.

If you have any questions, please contact:

-Ms. Amanda Anderson- amanda.anderson@aeaohio.org

-Mr. Robert Curtin- robert.curtin@aeaohio.org
