Superintendent of Schools*

April 20, 2020

Dear Albert Einstein Academy Families and Staff Members,

I hope this letter finds all of you well. I continue to think about our children, families, and staff members. The incredible adjustments and sacrifices each of you are being asked to make have, at times, seemed insurmountable. At Governor DeWine's direction, Albert Einstein Academy Schools are **closed** for the remainder of the 2019-2020 school year.

The classroom teachers, with the support of their building principals, will continue to prepare and deliver remote instruction to your child(ren). It is our expectation that students remain actively engaged in their instruction. Regular feedback and grades will be provided as previously communicated. We encourage you to contact your child's teacher or principal if you have problems with the resources provided.

There are many things such as gathering personal materials, graduation, and senior prom that are impacted. These are just a few of the many end of year activities we are creating alternative plans for. Building administrators will be reaching out with specifics in the coming weeks as we continue to work on plans.

Sincerely,

Bruce W. Thomas, Ed.D.
