Fall 2020

Welcome to the AEA Special Education Department,

AEA's Special Education Department includes Intervention Specialists, a District Transition Coordinator, Speech and Language Pathologists, Occupational Therapists, a School Psychologist, and a Director.

Our staff is committed to understanding your child(s) educational and learning needs. We meet each student where they are and provide the necessary support to ensure their academic, social, and emotional growth.

The Special Education Department continuously collects data for progress monitoring and to make necessary adjustments to student's individualized education plan. At AEA heavy movement, brain, and sensory breaks are built into student schedules to allow students to decompress and regain focus and regulate their sensory input.

We are looking forward to another incredible year with all our students and families.

Sincerely,

Rebecca Lemons
