Dear AEA Families & Friends:

Albert Einstein Academy-Strongsville Campus is thrilled to have you as a member of our school community! It is now time for all of us to create a true school of quality. Please know that the AEA teachers and support staff will continue to focus on implementing lessons/programs that fuel organizational performance, increase student achievement, establish exceptional relationships and give voice to the acceptance of others within a safe and civil learning environment.

As we begin a new season together, let us remember that success in any arena is the direct result of a focused, committed and goals-oriented team of stakeholders. Each new school year provides the adults of AEA opportunities to make a difference in the lives of the children we share. Consistent academic support, routine communication between home and school, frequent monitoring of the learning process, and the encouragement and expectation to do your best will no doubt send the message that learning is vitally important.

Please take a moment to join me in welcoming our new teachers!

Ms. Samantha Anderson: Art
Ms. Amanda Conti: MS/HS Language Arts
Ms. Hillary Escobar: Spanish
Ms. Maggie Gray: Grade 4
Ms. Margeaux Green: Grade 2
Ms. Beca Kimmet: Intervention Specialist
Ms. Brooke Miletich: Grade 1
Ms. Christine Myers: Grade 3
Ms. Austin Stamatis: MS/HS History
Mr. Aaron Stevanus: Physical Education

In closing, we all need to "Stand for our Students" on a daily basis. We need to connect with them in unique ways, we need to show them that we are willing to listen, we need to offer unconditional support and find ways to validate them and celebrate them for who they are!

Let's have a great first quarter!
