

Einstein Parent Organization (EPO)

The Einstein Parent Organization is similar to that of a traditional PTO/PTA. We encourage anyone to join who wants to be involved in planning events, help to encourage a positive school culture and work collaboratively! Below are a few examples of things the EPO has worked on over the last few years:

- Family Movie Night
- Grade Level T-Shirts
- Mama Jo Pies
- Uniform Swap
- Food for Conferences
- Activities for Teacher Appreciation Week

There are no dues or annual fees associated with the EPO. Meetings are held monthly at the school and any interested parents or guardians should email Mrs. Barker, Lindsey.barker@aeaohio.org (North Olmsted Campus) or Ms. Brockman, jennifer.brockman@aeaohio.org (Strongsville Campus). They will notify the chair of the EPO you are interested in joining so that you can begin to receive information and get involved.
